**Christie Campus Health Announces it has Partnered with NASPA, the Largest and Most Influential Organization in the Field of Student Affairs, as its Educational Partner**

**Lexington, MA, January 18, 2023** - Christie Campus Health, the leading provider of the most comprehensive set of mental health and well-being support services to colleges and universities, is proud to announce that it has partnered with NASPA – Student Affairs Administrators in Higher Education as its [Educational Partner](#). The largest and most influential organization in the field of student affairs, NASPA serves more than 15,000 student affairs professionals at more than 1,200 colleges and universities across the globe.

“Student affairs educators have long been on the front lines of the international conversation regarding the mental and emotional health of college students.” said Kevin Kruger, President of NASPA. “We are proud to partner with an organization like Christie Campus Health, whose team has demonstrated a similar passion and commitment to student well-being across many decades.” “As the premiere organization representing student affairs professionals, NASPA is a powerful voice driving innovation and evidence-based, student-centered programs,” said Kenneth Chicos, CEO of Christie Campus Health. “We are proud to partner with NASPA to continue to advance our work of supporting student health and well-being.” To learn more, visit <https://naspa.org/about/educational-partners>.

**About Christie Campus Health**

[Christie Campus Health](#) is dedicated to improving the mental health and wellbeing of college students by helping colleges and universities expand the way they reach and support students in need. Offering the most comprehensive set of support services, inclusive of a 24/7 Support Line providing unlimited and in-the-moment support, clinically validated self-care resources, face-to-face and virtual counseling visits and student care Navigators, Christie partners with colleges to deliver innovative, equitable and high-quality mental health services to students. Whether adding more services to expand a school’s current mental health offering or implementing new services, Christie delivers a customized solution, enhancing support for students. Christie currently offers our comprehensive mental health platform to over 80 colleges and universities, supporting nearly 700,000 students nationally and internationally across more than 200 campuses.

**About NASPA**

NASPA is the leading association for the advancement, health, and sustainability of the student affairs profession. Their work provides high-quality professional development, advocacy, and research for 15,000 members in all 50 states, 25 countries, and 8 U.S. territories.
